18. [] LIAISON Spoke with Jon Holstine, on the staff of the Subcommittee on International Political and Military Affairs, House International Relations Committee, with respect to hearings to be held shortly on Cuban influence in Latin America.

19. [] LIAISON I called Representative Edward J. Derwinski (R., Ill.) in follow-up to his question at breakfast this morning regarding the increase of terrorism in Mexico. In his absence, I left a message with Debbie McMahon, his receptionist, that Representative Derwinski's instincts had been correct and that there had been an increase over the last couple of months which seemed to be more frequent as the July 4 elections approached and that basically it was the 23rd September movement of the Extremist Left.

20. [] LEGISLATION Stopped by the office of the Subcommittee on Intergovernmental Relations, Senate Government Operations Committee, to review the transcript of the 25 May mark-up session on S. 2925 (zero-base budget review). I obtained a copy of those pages containing the dialogue between Senators Charles H. Percy (R., Ill.) and Edward S. Muskie (D., Maine) related to CIA budget information and the Senate Budget Committee.

21. [] LEGISLATION Delivered to Mr. Thomas Mooney, on the staff of the Subcommittee on Courts, Civil Liberties, and the Administration of Justice, House Judiciary Committee, a copy of our fact sheet on H.R. 214, the Right to Privacy Act of 1976 and reiterated to him our concern that the points raised in the paper remain nonattributable.

22. [] LIAISON Delivered to Bill Miller, Staff Director, Senate Select Committee on Intelligence, a copy of Mr. Henry Knoche's prepared statement for his confirmation by the Senate as the DDCL.

23. [] LIAISON Picked up a letter from Senator Edward M. Kennedy's office (D., Mass.) addressed to Director Bush.
